

How to...

Create an IVS-PD Account

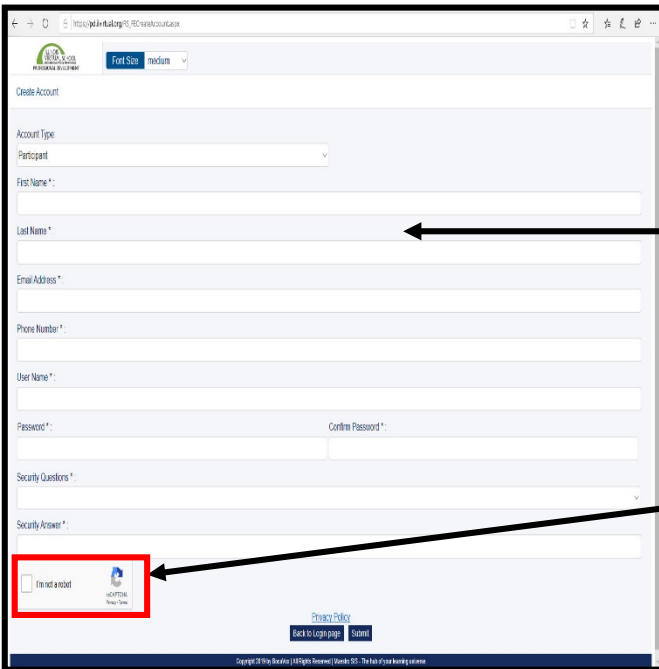

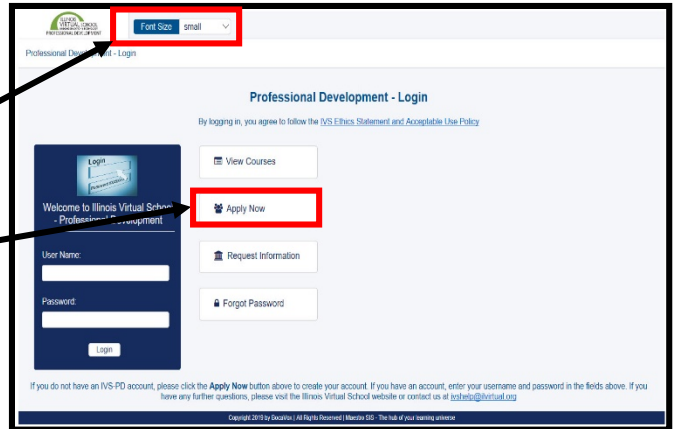

The first step in enrolling in IVS online professional development centers on creating an IVS-PD account and completing the application. To do this, follow these steps:

Part One: Create IVS-PD Account

Step 1: Type <https://pd.ilvirtual.org> in your web browser to go to the IVS-PD Information System.
Note: You can change the font size using the drop down menu available at the top of the screen. Medium is the default font size.

Step 2: Click the **Apply Now** box to the right of the login area.

Step 3: Complete the required fields with the appropriate information. *Be sure to use an Email address that you use frequently.*

Create a User ID (can contain letters and numbers, no spaces) and a password that you will remember.

Note: Write down your username and password because you will need it immediately to log in and complete your application.

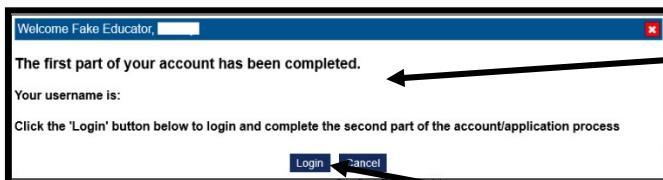

Check the box to state that "I'm not a robot."

You may need to perform an action before you click the **Submit** button.

NOTE: You will receive an email containing your IVS credentials (username and password) that you created. Please keep them on file for future use.

A pop-up window will appear confirming your account creation and provides your username.

You will also receive an email from IVS containing your new username and password.

Step 4: Click the **Login** button to log into the system and complete Part Two: The Application (see page 2).

Part Two: Complete the Application

IVS recommends that you complete all the fields listed in this application in one sitting. However, you can save a partially filled application by clicking the **Finish Later** button.

Step 1: Complete all fields in the **Participant Personal Information, Participant Contact Information, and Participant Race/Ethnicity Information.**

NOTE: For **Region of Residence**, you must select the county you live in, which will be associated with a ROE (Regional Office of Education) or ESC (Educational Service Center).

- If you live in Chicago, you may select Cook ROE or City of Chicago.

Step 2: In the **Work Information**, click the down arrow next to **Select Your Current Work Situation** to select the option that best describes you.

Note: If you are a *K-12 teacher* currently employed by a school district, please select *“Currently employed by a local education agency”*.

Step 3: Click the down arrow next to **Role that best fits your position** to identify your role within the school or if you are a parent or community member of that school.
